Volunteers Sought for Education and Youth Commissions

Applications are being accepted from Germantown residents interested in volunteering on the Education Commission or Youth Commission. The commissions generally act in an advisory capacity to the Board of Mayor and Aldermen and city departments. Commission members serve for one year beginning July 1. Current commission members interested in continuing to serve are asked to complete an application, along with persons who have not previously served.

Education Commission: The commission studies ways to deal with educational issues of general community interest, explores ways to enhance the quality of education and makes recommendations for improvements, and encourages education in response to community needs.

Youth Commission: The commission is charged with developing the curriculum for the annual Youth Leadership Conference held in the spring of each year. Members also learn about local and state issues affecting Germantown.

Applications are available at the information desk at Municipal Center, 1930 South Germantown Road, or may be downloaded from the City's web site at www.germantown-tn.gov.
